

Do You Know that Prayer Works?

In other cities where H2B teams are praying for businesses, they have seen significant results including:

- A steel company received 6 large orders while the team was praying and went from \$4m to \$30m in four months.
- Increased accountability by team members in a retail store resulted in internal theft issues being revealed. Profits increased.
- A trucking company tripled their revenue.

We believe that prayer will see tangible results for your business.

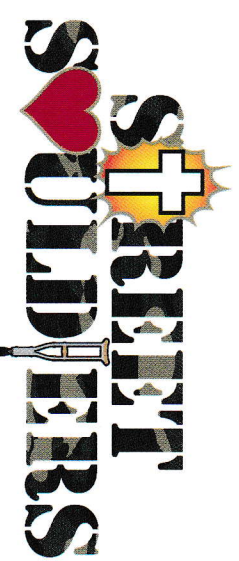

We believe that when heaven comes to earth in businesses, that those businesses will prosper. In turn, those businesses will bless their community which will impact our city and state.

It is impossible to pray and everything stays the same.

H2B Foundation:

*Truly I tell you, if you have faith as small as a mustard seed, you can say to this **mountain**, 'Move from here to there,' and it will move. **Nothing will be impossible for you.***

Matthew 17:20

We have an expectation that God will speak to us about your business:

Call to Me and I will answer you and tell you great and unsearchable things you do not know.

Jeremiah 33:3

Heaven 2 Business (H2B) Initiative:

Heaven: comes from Matthew 6:10 The Lord's Prayer: "Your kingdom come, Your will be done, on earth **as it is in heaven.**"

Number "2":

We come alongside businesses through prayer to help you with 2 specific objectives:

- 1) to achieve your goals
- 2) to move mountains

Business Mountains:

Every business has mountains in their organization for which we pray. Business "mountains" may include challenges or obstacles with:

- People
- Processes
- Products
- Profitability
- Other initiatives

We pray heaven into your business because with God all things are possible (Matt 19:26).

What This May Look Like:

1. We come on-site and you share some of your goals with us. Include some of your "mountains" on that list.
2. We walk around and pray for your business and then share what we are hearing for you and your business. We anticipate positive change as a result of prayer.
3. We'll check in with you periodically and look forward to hearing the outcomes. You contact us as new prayer needs arise. We track business results of all businesses we pray for.

It's that simple.
Imagine the possibilities...
